Hello!

As we come to the end of another busy and exciting year at Heathlands we thought we'd take this opportunity to say thanks to everyone involved with Heathlands. We wish you all a peaceful and happy festive period and we look forward to bringing you more exciting news next year!

Thank you!

What makes Heathlands so special is the input of so many different people. We would like to say a great big thank you to all our staff, volunteers, friends, members and supporters. It's your hard work and generosity that makes Heathlands what it is.

Donations

We aim to offer a wide variety of activities to our members here at Heathlands and one of the things that allows us to offer this variety is the generous donations of materials and equipment we receive from individuals and organisations. This year we've been lucky enough to receive a whole host of goodies so thank you to you all!

In the Art and Textiles department we've been very lucky this year. Cumberland Embroiderers Guild members gave us lots of lovely fabrics as well as some ribbons, beads and buttons. The Eden Workshop in Penrith also gave us lots of fabric and very generously donated money to us as well. Keswick Pencil Museum made a very generous donation of watercolour paper and a great assortment of pencils when our Photography group went to visit. We've also had lots of donations from individuals which we've been using to great effect in our projects.

If you have any comments or something you'd like included in the next newsletter please email it to helen.walsh@lbtuk.org by January 20th.

Thank you to everyone for their kindness and generosity, it really does make a huge difference to us.

Festive Happenings

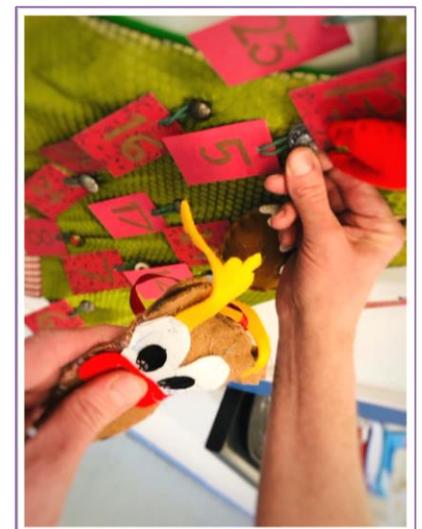

As well as being grateful this season we've been busy cooking and stitching up a Festive storm! Our kitchen groups have been working hard as always making festive offerings and our OCN Seasonal Crafts group have made this fabulous advent calendar to help us count down to the big day.
