

Super Swirly Snakes!

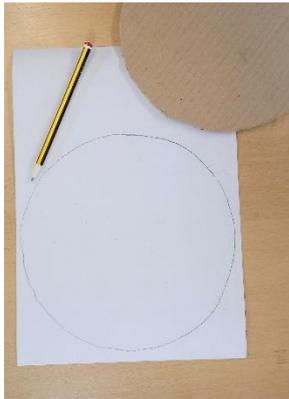

Here's a fun and easy way to make some hanging decorations inspired by snakes! We used card that was sparkly on one side but plain card works just as well. Hang them somewhere they'll catch a breeze and enjoy watching them swirl.

You will need:

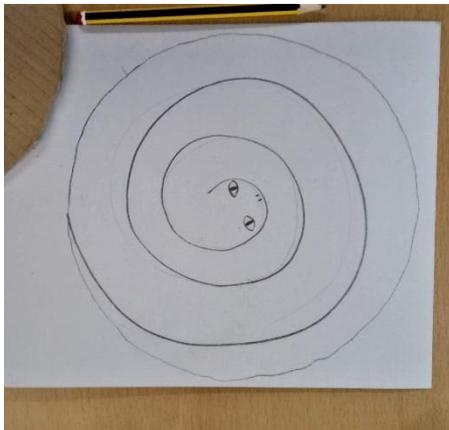

- Card or thick paper
- Scissors
- A plate or something circular to use as a template
- Pencil
- Colouring pens or crayons
- String, thread or yarn
- Optional: Print out of the snake template

Step 1.

Use the pencil to draw round your plate

Step 2.

Draw a spiral inside the circle, this might be a bit tricky so take your time! Turn your spiral into a snake, using our template as a guide

Step 3.

Decorate your snake using your colouring pens or pencils, remember to decorate both sides of the snake! We used fancy sparkly card so only needed to colour one side but if you have plain card you'll need to colour both.

Step 4.

Very carefully cut along the spiral line to the centre (head of the snake.)

Step 5.

Attach a piece of string to the head of the snake (centre of the spiral.) Hang it up and watch it swirl!

Have fun and don't forget to share how you get on with us!
